**PROUDLY FLY YOUR OFFICIAL  
FESTIVAL FLAG!**

After the winter doldrums, nothing attracts store traffic like a colorful, festival flag that says, "Something exciting is going on!"

Discover Newport and Daffodillion are subsidizing 50% of the cost of the flags to allow as many merchants as possible to participate. Your flag can be flown this year and during future festivals. Along with decorated windows and thousands of golden daffodils blooming throughout town, Newport will be putting on a show!

The first 10 merchants who order a flag receive the special price of **only \$25**.

If you provide a silent auction item for the *Spring Fling*, the flag will be delivered right to your door!
